Over halfway to estimate

NW MI - Harvest in full swing this week, some expect to be nearly done by August 4th.

WC MI - Harvest is nearly done, district finishing above estimate. Orchards along lake still being harvested.

SW MI - Should finish this week. Finishing above estimate.

NY - Harvest moving along well, quality good.

OR - Harvest started last week, good temps and conditions.

UT - Good season with good quality. Expect to be at estimate.

WA - Expecting two more weeks of harvest, quality good despite triple digit heat.

WI - Start of week two, quality is good.
