**NW MI and OR continue to harvest, but wrapping up quickly.**

**NW MI** - Harvest in NW MI continues, many expect to finish week ending 8/18

**OR** - Harvest nearly complete. Limited tonnage remains in orchards.

Note: In last week's postcard, WA diversion was mistakenly reported as being in WI. See corrected number above.

YTD total is over estimate and in-orchard diversions are slightly under the 12 million pound estimate.
